

Real Solutions To Real Problems

Regardless of modern perspective, there are absolutes. Nothing challenges the intellectual mindset more than the view that there is, beyond all reasoning, a pragmatic, unwavering perspective of seeing things in black and white, with no gray area. The belief in absolute truth stirs zealous opposition. *Shadows Among Us* reminds us that there are truths that we can embrace for radical transformation. Author Robin Bertram addresses real life problems with strong biblical answers!

Endorsements and Press Release

In his 1996 release *The Handbook for Spiritual Warfare*, theologian Ed Murphy, Ph.D. sums up the phrase “spiritual warfare” with the following quote: “Some speak of [Spiritual Warfare] as being the struggle between good and evil. Others talk of the battle between right and wrong, or between light and darkness. Still others refer to the conflict between the positive forces which seek to preserve life and order in the universe and the negative forces which tend to disturb and even destroy life and order. From a biblical perspective, however, this dualism is revealed to be an on-going conflict waged on two fronts: God and His angelic kingdom confront Satan and his demonic kingdom, while the children of God contend with the children of Satan.” Deliverance ministry and prayer healing are important tools in today’s saga of spiritual warfare. In her forthcoming release, *Shadows Among Us*, Robin Bertram offers a comprehensive and inspirational guide for people of faith to take a stand against evil entities in the world and learn how to become whole and confident Christians.

Shadows Among Us opens with a call to action for Christians everywhere. Bertram writes, “Deliverance Ministry is the most ignored work of the Holy Spirit in our churches today. Yes, it is even resisted. It is seen as being on the edge, for radicals and zealots, for irrational, over-mystical people, often being dismissed as myth or rejected by the local church as though it were a legend for days of old.” Bertram goes on to explain that our local churches are “meant to challenge the status quo. They are meant to inspire and encourage the introspection of every person, group or church who believes that there is more to know, more to do, more of the mysteries of God to embrace.” While the concepts of “Deliverance Ministry” may seem daunting and outside the mainstream, Bertram does an excellent job of explain what Deliverance Ministry is and correlating it to real world issues. Some of these issues include family life, corruption in the church and creating a healthy spiritual environment. Prayer is the main method of healing in Deliverance Ministry. Bertram provides anecdotes and a biblical and historical context to accompany all the points she makes and the instructions she gives. It is organized into 16 in-depth chapters based on biblical teachings and is not merely a “how to” book, but rather is an all encompassing guide that can be utilized by prayer ministries, churches, and individuals alike. Her message is clear—“Jesus kept it simple, and so should we.”

“*Shadows Among Us*” is loaded with truth, especially scripture. This is a deep work and well written. It is very well-documented with scripture---a much needed practice in the deliverance ministry.

Dr. Dale M. Sides, the founder and president of *Liberating Ministries for Christ International (LMCI)*, is an in-depth Bible teacher and author with over 35 years of ministerial experience. Bio Sketch

Robin Bertram

What would your life be like if you had the courage and emotional strength to overcome your self-doubt, fear, or concern for what others say about you? How would your relationships change? What if you could reject rejection? Would you want to stay in your current state or would you be willing to embrace radical change?

Robin Bertram is one of the most passionate teachers of our time in the field of personal transformation. Overcoming and victorious are two words that best describe Robin's life journey. With her infectious energy, empathetic spirit, and inspirational messages she offers a refreshing antidote to the self-help, talking head experts and "Oprah theology." For the past fifteen years, she has reached many throughout the south-east with her positive messages about God's love, His grace, and the freedom we have in Jesus Christ. She has been very instrumental in the field of praying for transformation of the whole person; body, soul, and spirit.

Many of us are in a search for meaning in our lives, and as a new author and a charismatic personality, Robin teaches individuals how to get on the path to spiritual and emotional wholeness and well-being and become who they are to be in Christ. Robin teaches people how to live victoriously, as she offers life-changing truths that bring about radical transformation thus enabling individuals strained by the pace of life to feel complete. Robin encourages individuals to carve out the space and time needed for private renewal and reflection. And she offers inspiration and guidance on how to create and draw on personal dedication, Bible study, and private prayer that will enhance spiritual growth and maturity.

Robin's dedication to healing prayer ministry has been just as prolific as her gift of speaking and teaching. Robin knows that many people feel as though they're living a life scripted or prescribed by others. They long to break out of their self-imposed limitations and lead their own lives, but they lack the courage and confidence to do so. As a minister of renewal, she provides biblical solutions that bring rejuvenation, inner strength and boldness to individuals, retreats, and churches.
