ROBIN BERTRAM MINISTRIES

Robin Bertram is one of the most passionate teachers of our time in the field of personal transformation. Overcoming and victorious are two words that best describe Robin's life journey. With her infectious energy, empathetic spirit, and inspirational messages she offers a refreshing antidote to the self-help, talking head experts and "Oprah theology." For the past fifteen years, she has reached many throughout the south-east with her positive messages about God's love, His grace, and the freedom we have in Jesus Christ. She has been very instrumental in the field of praying for transformation of the whole person; body, soul, and spirit.

Many of us are in a search for meaning in our lives, and as a new author and a charismatic personality, Robin teaches individuals how to get on the path to spiritual and emotional wholeness and well-being and become who they are to be in Christ. Robin teaches people how to live victoriously, as she offers life-changing truths that bring about radical transformation thus enabling individuals strained by the pace of life to feel complete. Robin encourages individuals to carve out the space and time needed for private renewal and reflection. And she offers inspiration and guidance on how to create and draw on personal dedication, Bible study, and private prayer that will enhance spiritual growth and maturity.

Robin's dedication to healing prayer ministry has been just as prolific as her gift of speaking and teaching. Robin knows that many people feel as though they're living a life scripted or prescribed by others. They long to break out of their self-imposed limitations and lead their own lives, but they lack the courage and confidence to do so. As a minister of renewal, she provides biblical solutions that bring rejuvenation, inner strength and boldness to individuals, retreats, and churches.
