## No Regrets

*how loving deeply and living passionately can impact your legacy forever*

Thank you for your time and the opportunity to share with you my new project, "*No Regrets; Live Like You're Dying*". Here is a brief synopsis of the book:

Life, no matter how long one lives, is relatively short. Death is inevitable. For the most part, we live as though tomorrow is assured, but it isn't.

The big question: If you were to die today, have you really lived?

Robin's father, on his deathbed, looked her in the eye and said, "I have no regrets." Then, after facing the real possibility of her own demise, Robin took inventory of her life and realized she was given a second chance: a chance to love deeply, to forgive freely, to speak kindly, and to live life with *No Regrets*.

Based on experiences derived from 25 years of prayer ministry, along with her own personal experience, Robin Bertram, in *No Regrets*, provides insight, encouragement and guidance to live a life that is impactful; to love deeply, to live passionately, and to leave a legacy.

Live intentionally: *Build a legacy, live a legacy, leave a legacy.*

5. *No Regrets* is a page-turner and one of the most inspiring books I have come across in a long time. It encourages us to live in such a way that we will never have to regret decisions we make. Robin is a woman of prayer and deserves much credit for exploring topics in a novel way, one that not only instructs, but inspires. The concept of *No Regrets* is deep and inspiring, filled with wisdom-based insights that will warm your heart and encourage your faith.

6. In a culture that seeks to convince us personal gain brings ultimate fulfillment. Robin Bertram proves the opposite. In *No Regrets* she uncovers the lies that would have us exchange the pursuit of the superficial for the greater reward of living passionately, loving unconditionally and giving extravagantly.

Through candid stories, analogies and personal transparency Robin Bertram reveals the truth about living with intention - that loving without limitations does not hinder us but liberates us to enjoy life the way it was designed to be .... passionate and fulfilling.

Robin Bertram encourages intentional living with a forward thinking mindset rather than one that dwells on past regrets. With an emphasis on loving, living purposefully, and forgiving, this book is an excellent tool for everyone who wants to live a more fulfilling life.

8. "I believe one of our failures as Christians living in today's culture has been our hesitation to write and leave our personal story for the next generation. Most of us have been silent, but Robin reminds us in "No Regrets" that our lives are short and our legacy matters. In this remarkable book, she shares her story and encourages you to do the same. So - what are you waiting for?"

9. Not everyone gets a second chance, but Robin, in *No Regrets* does. She shares with transparency and sincerity her insight as she walked through this journey. This book will encourage you to evaluate your life and legacy and not wait until a tragedy occurs. Robin encourages the reader to accomplish their God-given assignments and move with power, passion, and prayer into a life with no regrets.

**10.** One of the most significant takeaways for me was the importance of building a spiritual legacy: build it, live it and leave it.

*No Regrets* encourages the reader to begin now by the way they walk, talk, and live, and to become influential for Christ and through their witness they can be impactful for the kingdom of God.
